

Certificate number: S20191104-1

AWARDED TO:

Surface certificate

EN1176:2017 + EN1177:2018

Certificate holder: Genan A/S
Jegindøvej 16
8800 Viborg
Denmark

Product: Genan Safe 5 + Gezoflex 1-4mm.

Binder: Stockmeier Stobilast S133.98

Valid until: November 4th, 2022

The Nordic Playground Institute hereby certifies that this surface has been tested according to EN1177:2018, and meets the safety requirements of the European Safety Standard EN1176:2017 and can be marketed and sold as such, with a critical fall height as listed on page 2, providing it is installed according to the manufacturer's specifications, and mixed as tested in our laboratory.

The certificate holder can refer to this certificate in matters of sale, marketing and disputes.

The certificate is valid until the listed date, unless cancelled earlier.

We refer to our test report 20191022-9 GENAN SURFACING as basis for validation of this certificate.

Date: 2019 November 4th

Einar Jon Skulason Hansen
Chief Executive Officer
