In such event, Seller will inform Purchaser of the increase and Purchaser will have seven (7) days following receipt of notification to object to the price increase. If Purchaser objects, Seller may either withdraw from the Contract or deliver the goods at the original price, or such other price as the Parties may mutually agree.

3 Acceptance and Rejection

Promptly upon receipt of Product delivered hereunder, Purchaser shall inspect such Product for any damage, defect or shortage. All claims for shortage or non-delivery and any claim for damage or defect which could reasonably be discoverable in the course of such inspection shall be waived unless Purchaser shall provide Seller written notice of the claim prior to the resale, use, mixing, blending, relabeling, repackaging, converting or other destruction of the identity of the Product and within ten (10) days after receipt of such shipment of Product to which the claim relates. Provided, however, if Purchaser does not object within the five (5) day period, the changes requested by Purchaser and the increased costs enumerated by Seller will be deemed as agreed upon. Purchaser agrees that it shall have no right to cancel a purchase order without first obtaining the prior written consent of Seller.
